

HERE'S the POINT

By SPENCE HELD

"Well, I've been over the most fantastic railroad in the world—and slept through most of it!" That's the latest word from Ruth, my traveling wife, in Peru. She and her sister Winnie (Mrs. A. G. Fischer, of Lima) are the daughters of Mrs. Charles W. Varney, 4728 Saratoga Ave.

"Winnie and I and Lenore (Winnie's four-year-old daughter) are in Huancayo, 'way up in a large Andean valley, 10,000 to 11,000 feet," she wrote. "We spent all day yesterday getting here."

"We left the house before 5:30 a.m., in order to get good seats on the first train. It was really quite a nice train, too, with wide picture windows and a table between each two seats. They served breakfast—café con leche and ham sandwiches—and lunch right on your table. Also coca cola, etc."

As the train climbed high in the Andes, she got the "soroche" (altitude sickness). "I would lean against the window and try to sleep," she wrote, "and lean on the table and try to sleep, and altogether was quite miserable."

"We went over the 15,000-foot pass about 2 or 3 p.m., and after we got down a little I began to wake up. . . Winnie and Lenore stood the trip well. Lenore slept a good deal of the time, and the men gave her oxygen once."

"This morning we walked around town, slowly. Then we took a taxi to Suparilla, about 10 miles away, to see the fair. It was just a small-town market day, but strictly Peruvian—not for the gringos. We were the only outsiders there. We went in their cathedral, which is very old, and not restored like so many are. Lots of gold, oil paintings, statues—and a crowd of Indians burning candles to one particular saint. The roof is thatch!"

Ruth wrote that they planned to remain in Huancayo for several days "and by that time we should be accustomed to the altitude and able to enjoy the train trip back to Lima."

At one place in the mountains "the train comes out of a tunnel, crosses a high bridge over the river, and goes into another tunnel," she wrote. "The whole thing is like a tremendously exciting Carrazo Gorge—imagine spending 12 hours, most of it through such country!"

"But up here in this high valley there are trees (mostly eucalyptus), and level farms, owned by small farmers. High hills surround us, and there is some snow on them. We came through a little flurry of snow on the way up, and a little rain. But today, here, the sun is shining and if you stand in it, it's warm."

Well, a railroad that hits 15,000 feet—sounds more like a plane than a train, huh?—is nothing to be sneezed at. In case you doubt those figures, the September issue of True, the magazine, has an article about it titled "The Railroad That Couldn't Be Built."

Pt. Loma High Footballers Get Exams Fri.

With eight football lettermen and a good turnout of other candidates expected to report, physical examinations for all fall sports—football, basketball and cross-country—will be given at Point Loma High Gym tomorrow at 8 a.m.

That announcement was made by Bennie Edens, football coach. Examinations are required of all boys planning to participate in after-school sports, so they can qualify for insurance, he explained.

Football uniforms will be issued tomorrow only to boys who are insured, it was said. All boys interested in football, no matter what their grade, are urged to attend this first meeting.

Lettermen expected from last year's team are Sheldon Spicer, center; Ralph Hendrickson and Dick Dray, tackles; Francis Jackson, guard; Mike Collins, Fred Jones and Whit Smith, ends, and Bill Harvey, quarterback.

Others expected to make bids for varsity berths include Roy Kennedy, guard; Frank Sacco, halfback; Jerry Booth, quarterback, and Fernando Quaresma, fullback.

Edens is taking over the head football coaching job this year from Don Giddings, who goes to Marston Junior High as vice-principal. Regular football practice will start Tuesday, Sept. 6.

Local Executives Loaned To USD

Four business executives who reside in the Peninsula area are helping staff the United Success campaign.

They are A. M. Barnise, 3044 Quimby St., of the S. D. Gas & Electric Co.; Harold E. Reice, 3030 Locust St., of Ryan Aeronautical Co.; Edward Quayle, 4655 W. Point Loma Blvd., of Sears, Roebuck & Co., and Jack Davis, 4114 Narragansett, of the Pacific Telephone & Telegraph Co.

The four men will put in three full months working with some 50 volunteers apiece to help realize the \$1,735,450 United Success goal. They will receive no pay from United Success but will draw their regular salaries from the companies for which they work.

A total of 14 business firms are loaning 15 executives to the drive to help meet the community need, and plan to make sizeable monetary contributions to the campaign as well.

CHAMPIONS—Here is the Kiwanis team which won the Point Loma Little League title. Front row, left to right, are Larry Shade, John Sprungman, Skippy Ikemura, Garry McLachlan, Larry Garcia, Ronnie Holmes

Little League Baseball Teams End '55 Season

In the final game of the season, Aug. 24, De Falco's defeated Rotary 10 to 9 with a big 6 run rally in the 5th.

Rotary had pounded out a 9 to 4 lead in the early innings, getting 5 runs in the first on hits by Don Sweek and Don Sansome after walks to Tom Neill, Lynn Kemp and Mike Dolphin. In the second Mike Dolphin won the home run championship of the league with a grand slam homer, No. 8, to left center. He was issued 3 free passes the rest of the game.

Larry Carlin narrowed the gap with a home run in the bottom of the 2nd. De Falco's rally consisted of hits by Mike Sneed, Mike Woy, John Wenz, Mike Cash, Ray Carlin, Bob Gault and Dick Rucker, accounting for 6 runs. Mike Sneed got 4 for 4.

Larry Carlin and John Wenz were the battery for De Falco's. Pat Edwards, who deserved a better fate, and Mike Dolphin were the battery for Rotary.

The second half standings were basically the same as the first half. Kiwanis won 8 lost 1. De Falco's 6-3, Optimist 3-6, and Rotary 1-8.

Runner-up, De Falco's proved to have a strongly balanced team in all departments, hitting, pitching and fielding. Larry Carlin and Mike Cash developed into A-1 moundsmen. Mike Sneed, Mike Woy, Larry Carlin, Garry Rucker, Tom Gable and Mike Cash did most of the heavy hitting. Ray Carlin, Russel Puppee, Ray Turner and Bob Gault have all contributed to a successful season, as did Monte Widders, Bobby Parker, and Calvin Clasen.

Optimist Squad
Optimist also had a fine squad. Tom Webb was one of the league's finest pitchers and batters with home run runner-up laurels. (6.) "Fighting" Timmy Faris, catcher and pitcher; Carl Medina, Dick Conklin, Mike Clardy, Rod Jones, Mike Hatcher, Larry Hawkins, Jack Lay Jr., Mike Sherwin, Morten Aves, and Glen Wyer did an outstanding job, as did David Pais, Rick Thompson and James Varley. A few runs either way during the season would have put them in flag contention.

Rotary Club
Rotary was a much stronger team than their record indicates. They lost at least 6 games by one run and with a good rabbit's foot would have been dangerous contenders. Mike Dolphin, league home run champion, assisted Pat Edwards on the mound. Don Sweek, Lynn Kemp, Pat Edwards, Jim Hosick, and Jim Bishop did the big hitting with Mike, Dave Lauren, George Partain, Don Sansom, Tom Neill, Bob Young, Dan Sansome and Don Jensen also did a fine job.

Congratulations to the coaches, George McLachlan, Kiwanis; Dick Rucker, De Falco's; Carl Medina, Optimist; and Wayne Smith, Rotary, for time well spent with a splendid group of boys.

KIWANIS LITTLE LEAGUERS HAVE OUTSTANDING RECORD

The Kiwanis team, Point Loma Little League champion, has a record of 16 wins and two losses. The team's pitching, hitting and fielding were outstanding.

Skippy Ikemura and Larry Garcia, pitchers, have a combined ERA of 1.66. They struck out 234 an allowed only 3.1 hits per game. Larry also is batting champion (.645 and 7 home runs.) John Sprungman developed into one of the league's best catchers.

Speedy Mickey Burkholder SS, with a .500 batting average,

and George McLachlan. Standing, Kenneth Coley, Don Royal, Clyde Campbell, Kent Zender, Mickey Burkholder, Robert Lindelof, Don Coley and Bruce Kehrl. Coaches (upper) are Arnold Kehrl and George McLachlan.

DEL MAR DEBUTANTE STAKES TAKES SPOTLIGHT SATURDAY

DEL MAR—Big holiday week-end of racing breaks at this picturesque seaside course Saturday with the fifth running of the \$30,000 plus Del Mar Debutante Stakes, for 2-year-old fillies at six furlongs, taking the spotlight. The following Monday, the Labor Day headliner will be the sixteenth running of the \$25,000 added Del Mar Handicap, which will match 3-year-olds and upward at the mile and one eighth route.

J. Rukin Jelks' sensational Miss Todd will be making her local debut and seeking her sixth/straight score in the Debutante. Hailed as the outstanding juvenile, either colt or filly, in the Far West, Miss Todd is expected to rule a strong choice to add the Debutante to her victory string.

The daughter of Your Host, from that famous sire's initial crop to reach the races, sold at the 1954 Del Mar Sales for \$8700. If she wins the Debutante, her earnings for the year will zoom close to the \$100,000 mark.

Opposition for Miss Todd will

Art Fiesta Set Sunday, Monday

Spanish dances, strolling troubadours and gay music will transport visitors to old Spain when they attend the Art Fiesta in the Spanish Village Art Center, Balboa Park, Sunday and Monday, September 4th and 5th. Hours are noon to 10 p.m. daily.

There will be a program of puppet shows, Indian ceremonial dances in colorful costume, fortune telling, games and novelty booths, an Art Mart and outdoor dancing in the evening. Co-chairmen of the Fiesta are Chandrika Zwingli and Bill Rimmer. Spanish Village President Grace Pischner will be on hand to do her pencil and pastel portraits. There will be a small admission charge; children under 12 admitted free. All proceeds will be used for Village improvements and art scholarships.

come from Mr. and Mrs. George Lewis' Mrs. Muriel L., Mrs. Harry Curland's Joy Girl, Clement L. Hirsch's Edie's Sister, CRC Stable's Cherry Wise, Black Gold Stable's Bossy Baby, DBI Stable's Fathers Flower, Mr. and Mrs. John Robinson's Starlite Abbey, Robert Lehman's Snoop and others.

Trigonometry, upset winner of the recent San Diego Handicap, will try to make it two straight in Monday's Del Mar 'Cap renewal. The stretch-running colt owned by the Owl Stable will probably face such hard-hitting rivals as Mr. and Mrs. Dick Greigorian's Arrogate, Miss Linda Cornell's Turk's Delight, Mr. and Mrs. Travis M. Kerr's pair of Bobby Brocato and Bassanio, El Peco Ranch's Hillary and Mary Machree, Jack McElroy's Six Fifteen and High Button, Loose Shekels, Devilment, Quillo Maid, and Frosty Dawn.

Largest crowd of the 40-day summer season at the surfside course is expected Labor Day. There will be a nine-race program with first post time at 2:15 o'clock.

LOYAL ORDER OF MOOSE
The annual Southern District Moose picnic will be held at El Monte Park Sunday, Sept. 4. Everyone is asked to bring his own service. Plenty of entertainment is promised.

Loyal Order of Moose Lodge 508 will hold the first of a series of boosters' dinners tonight (Thursday) at 7:30 in the lodge hall, 852 Eighth Ave. Gov. Alvin P. Goodrich will preside.

Library To Award 69 Certificates
Sixty-nine children have earned reading certificates in this summer's "Sail to Adventure" reading club at the Ocean Beach Library.

To do so, they were required to read and write reports on at least eight books. The certificate will be awarded at a special program in the library patio Wednesday, Sept. 7 at 10 a. m. Margaret C. Leighton, of Santa Monica, Calif., author of children's books, will be guest speaker.

All children who earned awards are being invited and each may bring one guest to the program.

O. B. MOOSE LODGE

Ocean Beach Moose Lodge 1755 will serve a fish fry dinner Saturday evening, Sept. 3, at 6:45 p.m. in the Moose Hall, 5019 Newport Ave. A dance will follow, with all members and guests cordially invited to attend.

O. B. Chamber Outlines Plan To Develop Beach

The Ocean Beach Chamber of Commerce sent a letter this week to City Manager O. W. Campbell outlining its requested beach improvement plan, according to President Harry La Dou. This included a map of the proposed improvements.

Request was made that the project be incorporated into the City's master plan.

The Chamber's proposals call for approaches, parking areas, comfort stations, and landscaping similar to that adjacent to the beach at La Jolla. The beach area involved extends from the Silver Spray Apt. Hotel to the south jetty of the San Diego River Floodway.

La Dou met last week with John W. McGhee, director of Mission Bay Park, and made a tour with him of the floodway channel area and the local beach.

They discussed the problem posed by swimmers and motorboats using the flood control channel—and the consequent danger to swimmers.

This channel is not a designated swimming area, McGhee told La Dou. It is said to be the best spot on the coast for motorboat racing.

La Dou quoted McGhee as saying the approach at the foot of

Long Branch Ave. into the floodway was built for the benefit of the Pacific Power Boat Club, which has a \$1200-a-year permit for one year. This is merely a temporary access road—the Federal Government wouldn't permit a permanent road, it was said.

(McGhee recently wrote a letter regarding the floodway to Richard F. Mandich, 1071 Alexandria Rr., stating that "We don't agree that designating a swimming beach and a launching area is the answer. We have a swimming beach with life-guard service only a few hundred yards away.")

Mrs. Bettie Knauer announced there will be "a called meeting" Friday, Sept. 2 at 7:30 p.m. at the O. B. Community Center—anyone interested in the flood control channel please attend. John McGhee, Mission Bay Park director, will speak.

The meeting will be held under the auspices of the O. B. Town Council, she said.

Red Cross Asks Flood Fund Aid

John Warlick, Chairman, San Diego County Chapter, American National Red Cross, has asked that everyone contribute to the fund for the flood sufferers in the eastern areas of the United States. Over \$8,000,000 will be needed for rehabilitation of the 35,000 families who have been affected.

San Diego County Chapter has assumed a quota of \$50,000 as its share. Funds collected in the brief drive will be entirely earmarked for flood victims.

Quoting President Eisenhower, Warlick went on to say that "Everyone would sleep better tonight if they contributed to the best of their ability before nightfall."

In explaining the nature of Red Cross disaster relief effort, Warlick pointed out that there is frequent misunderstanding on

the part of people who think that those made destitute by disaster can obtain direct grants from Federal funds allocated for disaster relief.

"This is not the case," he said, "since under the law, families cannot be assisted by the government directly. Certain public funds are made available on a loan basis to families and business firms, and generally, public funds, whether Federal or state, are used to repair damage to roads, bridges and public property. The individual family in need must look to Red Cross."

Mrs. John Lawrence Fox, special events chairman, has announced that money may be sent to San Diego County Chapter, American Red Cross, 3650 5th Avenue, or donations may be made at booths manned by volunteers in banks and places of business throughout the city.

Holiday Monday For Labor Day

Monday is Labor Day, and the O. B. Branch, Bank of America, and most local stores will be closed for the holiday. Copy for the Peninsula News which ordinarily is submitted Monday should be left at the newspaper office Friday.

Photo Classes Are Offered

Courses in photography for beginners and advanced students will be offered this fall by the San Diego City Schools Adult Education Program, announced Wayne W. Laughery, principal of the new Midway Adult Center.

Walter E. Harvey will teach day and evening classes in black and white and color. Kenneth K. Rinker will teach evening classes in color while Bucky Reeves will teach motion picture photography.

Schedules may be secured by calling AC-3-1671.

Outboard Racers Hit Rough Water

Roy Rogers, the movie buckaroo, piloted his pitching outboard to victory in the open division of the second annual San Diego-La Jolla Outboard Marathon Sunday.

The race was shortened by eight miles from the original 44-mile course from Shelter Island to La Jolla and return, because of rough water a mile offshore.

Fifteen boats failed to finish and were towed in by Coast Guard auxiliary craft. More than 100 competed in the race, sponsored by the Outboard Boating Club of San Diego.

Rogers' time was one hour and 28 minutes for the 36-mile course. Second was Harold Dewey, last year's winner, six minutes behind the movie cowboy.

F. A. (Al) Wolf of Ocean Beach, former club commodore, piloted his outboard in the race. "Boy, she was rough," he said. Class winners included the following: Class B, T. Sanger; D. G. Barnes; E. Frank Eckis; F. Bob Walland; G. Bob Harkin; J. Ivan Debussk; K. Al Jones Jr.; L. Chester Arno; R. Carl Osterman.

ANNIVERSARY—The Rev. P. O. Jensen and Mrs. Jensen were honored by the Christian Home Makers Class of O. B. Baptist Church at a miscellaneous gift shower for their 50th wedding anniversary. This was held at the home of Mrs. Paul Campbell who baked and decorated the cake. Rev. Jensen was pastor of the church for seven years before retiring. Mrs. Jensen is still an active member of the class. Hostesses assisting Mrs. Campbell were Mrs. Edith Erickson, Mrs. Nell Brewer and Mrs. Edna Taylor.—Rex & Ann Langdon photo.

MISS OUTBOARD—Jackie Smithwick presented trophies to the winners in the annual S. D.-La Jolla Outboard Marathon Sunday.

Frame Your Memo Slate

HERE'S a clever way to make an attractive memo slate for your home:

Take an old picture frame; the size isn't important. Give it a good cleaning and sanding. Then prime and enamel it to suit the surroundings in which you plan to hang your memo slate. For best results, sand lightly between coats.

Now you'll need a piece of Masonite Tempered Presdwood to fit the old frame. Take it from your

stockpile or buy some at the lumber yard. Also obtain some chalkboard paint, either black or green. Follow the manufacturer's directions for preparing the Presdwood and applying the slate surfacing material.

Finally you mount the chalkboard in the frame. A piece of scrap aluminum bent into a U shape or a discarded venetian blind slat screwed to the bottom of the frame makes an excellent trough for a piece of chalk.

You now are ready to hang the memo slate in a convenient place. Unframed chalkboards may be made in any useful size, too. They are excellent for grade school youngsters.

HEALTH FOR ALL

"Who ever invented a holiday to celebrate going back to school?" the boy groaned. To him, Labor Day meant the end of vacation not a tribute to the working people of the nation.

Fortunately, the groans are rarely from the heart. It's chiefly a matter of fashion. Many are really glad to be getting back

to school. If only they didn't have to hide it like the guilty secret!

This attitude can be the cause of much reluctance, even fear, on the part of young children entering school for the first time. They're led to expect nothing less than a fire breathing dragon for "teacher" and a work load that couldn't be borne by an elephant.

Big Changes

The first school days mean tremendous changes in a child's life. He has to get up, dress, eat his breakfast, and cover the distance to school in a certain space of time.

He can't stop to dream or listen to a bird or watch the carpenter building a new house along the way. He meets a group of strange children in a strange place where he must stay whether he likes it or not. He must do things in a certain way at a certain time, depending only—as far as he can see—on the "teacher's" whim.

It's hard enough, but worse if older children have frightened him in advance.

Getting the full cooperation of older children in the family and in the neighborhood is an important part of getting Junior ready for school. If appealed to on the basis of their superior age and experience they will usually be glad to help.

Prevue Visits

They can talk about school in a way which will make him look forward to it with pleasure. They can take him to the school for prevue visits, so that an opening day the trip and the building itself will not have the terrors of unfamiliarity.

And, on that opening day, there will be nothing so comforting to him as the warm hand of an older friend, or brother or sister leading him into the classroom and the reassuring words, "I'll be just across the hall."

A good emotional adjustment to school life may take weeks—but it's worth all the patient effort the family can put into it.

Announces Services; Women To Meet

Services at Trinity Episcopal Church, Ocean Beach, are announced as follows for the week beginning Sunday, Sept. 4.

There will be three services of the Holy Eucharist this Sunday, at 7:30 a.m., at 9 a.m. the Family Service, and at 11 a.m. the Choral Eucharist with the sermon by the Rev. John R. Nicholson. Nursery service is provided at 9 and 11 o'clock.

The regular mid-week celebration of Holy Eucharist will be at 9:30 Wednesday morning, to be followed at 10 o'clock with the Confirmation Class for young people.

Women's Groups To Meet
St. Anne's Woman's Auxiliary will hold its last summer meeting at the home of Mrs. Fred Jackson, 4914 Santa Monica Ave., Wednesday, Sept. 7, at 12 noon. All women of the parish are invited. St. Monica's Guild will meet Wednesday evening at 7:30 o'clock in Wallace Hall. All women of the church who are unable to attend a daytime

auxiliary meeting are invited to meet with St. Monica's Wednesday's meeting is for the purpose of preparing the budget for the coming fiscal year. The women will also formulate a study program.

Choir Rehearsals Resume

The choirs of Trinity Church are resuming practices following a month's vacation. The Junior Choir which sings at the 9 o'clock Family Service each Sunday, will begin weekly rehearsals Thursday afternoons. The Senior Choir which furnishes music for the Sunday service at 11 o'clock, will begin rehearsals tonight at 7:30 in the church. Mrs. Edith Starr Webster, organist-director, invites anyone interested in either choir to attend a practice for audition.

Webster describes a ham as that part of the hog cured by salting or smoking. The National Automobile Club reports that the road hog may be cured by the strong arm of the law if he does not remain in either one lane or the other.

Driving Dangers

To Multiply

This Weekend

With another three-day holiday scheduled over the Labor Day weekend, traffic safety officials, throughout the nation are cautioning motorists of the added dangers of driving, predicting a record volume of travel and hoping for the miracle that will hold traffic deaths below the figures listed by the experts.

In San Diego County the Traffic Safety Council is urging that only necessary travel be performed, careful preparations for all trips, slower speeds, and courtesy and caution at all times.

"We hope our record this year will be a repeat of last year when there were no fatal traffic accidents in San Diego County during the Labor Day weekend. We have proved that it can be done and call upon all our citizens to drive and walk safely, not only for their own sake but to serve as an example for others," Ronald T. Strong, Traffic Safety Council president said.

Enforcement agencies in San Diego County have indicated their forces will be at full strength at all times during the Labor Day weekend and that a tight control will be maintained to keep speeders and reckless drivers off the streets and highways.

Sunset Cliffs area has fostered many of this area's authors, and at present the book of Ed Burkholder, "Baseball Immortals," is being featured in bookstores.

The book, endorsed by Ted Williams, Bob Elliott and Earl Brucker, is a collection of baseball notables and written as the author says, "so no mother will have occasion to burn it" due to profanity, etc.

Burkholder resides at 4419 Monaco St., and most of his life has followed the All-American sport. His youngest son, James "Mickey", 11, is shortstop and lead-off man on the Kiwanis Little League team and was its 2nd highest hitter. Naturally, his father is hoping he will go into professional baseball.

Mr. and Mrs. Michael Sturak and sons, Jack and Jerry, have moved from 4477 Muir Avenue to their own home at 4420 Naragansett Avenue.

Mr. and Mrs. Edward Leech and children Barbara and Doug of Klamath, Oregon, have been houseguests of Mr. and Mrs. G. E. Faber, 4967 Saratoga Avenue. The visitors came here especially for the Daz-O-Fun Fiesta. Mr. and Mrs. Leech both grew up here, attending Ocean Beach School and Point Loma High.

Mr. and Mrs. Frank Gibbons of Tucson, Ariz., now are living at 4835 Santa Cruz Avenue. Also living in the same court at 4833 Santa Cruz Ave. are newly-

Mr. and Mrs. Franklin Fox and children, William and Cheryl, came here from Hamilton, Ohio for the climate. They have purchased a home in the 4200 block on Del Monte Ave. William will be a senior this year at Pt. Loma High School.

Mrs. Bernice Palmer and Miss Myrtle Berhahn of Belleville, Illinois, have spent the past three weeks visiting Mrs. Almyra (Tiny) Ownby, 4891 Naragansett Ave. The visitors state they are quite in love with our wonderful climate and numerous places of interest.

Mr. and Mrs. Harold V. Gattis and two children, came here via Navy orders from Washington, D. C. and are living in the 2300 block on Etiwanda St. They were here several months ago and always wanted to return.

Mrs. Joseph (Raylee) Zaucha, 4819 Santa Cruz Avenue, last Saturday underwent surgery at Quintard Hospital. Mrs. Zaucha, a long-time resident, underwent similar surgery several years ago. Since 1935 she has been an employee, well-known by the public, at the State Unemployment Office.

Mr. and Mrs. H. J. Goulding came here from Detroit, Mich., to try our climate. Naturally they fell in love with the Beach and plan to make their permanent home here. They are living in the 5000 block of Saratoga Avenue with their sons, Hugh and Thomas.

Mr. and Mrs. George Berlin and sons, Kent and Brent of Duncan, Okla. spent several days last week visiting Mr. and Mrs. Jack Wynn, 2615 Clovis St.

Hobbies can be put to profit, not only to the hobbyist but to any philanthropy of his or her choosing. Sometime ago the pastor of St. Charles Borromeo church suggested to the Guild of the Church that in the all-important raising of funds, should there be members with hobbies that could be brought to play, to use them.

Mrs. J. M. Evans, 4115 Hill St., has always loved to decorate cakes. She had used her art in assisting the Red Cross, and in occasional donations of cakes to the Church. She now keeps quite busy making the most beautiful decorated cakes. In addition, she puts pretty figures on cube sugar for parties and teas. For announcement parties she even makes clever, eatable "booties". All proceeds from her artistry go to St. Charles Church.

Mr. and Mrs. K. C. Brown and their daughter, Mrs. John Honse and baby, have moved from 3654 Voltaire St. to make their home at 4604 Tivoli St. Mr. and Mrs. Charles F. Brown, of Dayton, Ohio, recently arrived to make their home with their son and family.

At the annual Craft and Hobby Show in Balboa Park, several Ocean Beach and Point Loma people exhibited their most interesting arts. Puppets appeared to be high in popular-

ity, with the Kelley's Puppets (they live at 4728 Cape May Ave.); Gen Engman, 4592 Alhambra, of the Padrt Puppeteers, and Mrs. R. Sherman Platt, 926 Bangor St., "The Moppets". Other exhibits were model planes and boats by Phil Moore, 4483 Saratoga Ave., Mrs. Beverly Hiburn, 4748 Point Loma Ave., displayed an unusual collection of key chains, and George Smith, 4355 Rialto St., exhibited stamps.

Mr. and Mrs. Lawrence Carr, Jr., and three children, Larrylyn, Robin and Steve, 3623 Warner St., have returned from two months spent in the East. Mr. Carr attended University of Pennsylvania, taking a special course. (He is principal of San Diego High School.) After "school" was out the family toured New York and New England states.

Parents May Apply For Home Teachers

Parents and physicians of school-age children who will be confined at home by extended illness of convalescence this fall were urged yesterday by a city schools official to apply now for assignment of a home teacher.

The request was made by Richard L. Johnson, city schools' assistant director of guidance

and administrator of the instructional program for all physically handicapped children. Application forms for home teacher service are available in Johnson's office in the Education Center, Park Blvd. at El Cajon Blvd.

Johnson said that parents or physicians of physical handicapped children who will need to be assigned to special classes also should submit applications now. Special classes are maintained for the orthopedically handicapped, the deaf, the partially sighted, and the blind.

State Students Must Establish Residence Status To Register

All students attending San Diego State College in the fall must fill out a form to establish their residency status before registration, according to a new state law.

The legislature passed a law requiring tuition of \$180 a year from out-of-state students attending the 10 state colleges.

The form, adopted by the State Department of Education, must be completed under a notarized oath.

No student may begin the registration process until his residency status is determined.

"Some time will be necessary to process the forms," explained Dr. James J. Hunter, executive dean. "Therefore it is urgent that all students come to campus immediately."

Every student will be classified from the information on this form as a resident of California or a non-resident. Attorneys on campus will make the final decision. A card will then be mailed notifying the student of his status or asking that he come to campus for an interview supplying further information to determine his status.

The forms may be filled out on campus in Physical Science building 115, the auditorium, from 10 a.m. to 5:30 p.m. the rest of this week and Monday through Friday next week.

The classification card received in the mail must be turned in at registration when paying fees.

Extended day students also must fill out the form. "We will not know if extension students must pay, and if so, how much, until the Attorney General decides, by September 10," said Ed Nuttall, coordinator of the evening program.

Progress Report On Salk Vaccine

All of San Diego City and County 1st and 2nd graders whose parents requested immunization for them have now received their first two shots of the Salk Vaccine and the National Foundation for Infantile Paralysis has now received its full supply to complete the program for the same group nationwide by the end of October.

This was the statement made by Regional officials of the National Polio Foundation and the local Medical advisory board at a meeting held this week.

Dr. Charles E. Price, San Francisco, Regional Medical Consultant, said that the third or "booster" shot is to be administered by the family physician seven months after the second at which time "supplies of the vaccine should be adequate."

Price told the group that San Diego was the first City and County in the nation to complete the immunity program and ranked high in acceptance of the vaccine.

Diego's eligible children, he said, received the first shot and 85 per cent the second while the national average was 75 per cent for both.

Delta Phi Upsilon Alumnae Meet Here

Delta Phi Upsilon Alumnae held an organizational meeting of new officers yesterday at the home of the new president, Mrs. Effie Freer, 5131 Cape May Ave.

Mrs. Freer was assisted by her daughter, Donna Mae, at the des-

sert meeting. Officers include the following: Mrs. Marcia Gookin, vice president; Miss Pearl Ratcliff, treasurer; Mrs. Leonard Zang, recording secretary; Mrs. Charles Rezek and Miss Zoa Wade, corresponding secretaries; Mrs. William Jones, parliamentarian; Mrs. Marvin McGinley, publicity chairman, and Miss Isabella Hammack, advisor.

BAKE SALE SCHEDULED

Ocean Beach American Legion Auxiliary will hold a bake sale Sept. 10 at the Rancho Market Basket on Newport Ave.—cakes,

pies and cookies made by members and friends. The auxiliary was scheduled to meet today at the Ocean Beach Woman's Clubhouse.

MULLING WITH MULLER

By Edna M. Muller

Want an idea for your next club meeting? How about showing a film of the amazing Kitchen of Tomorrow? No "koolin" — a 16mm sound and color film can be obtained free from General Motors by any organized group with its own projection facilities. (Only obligation is return postage.) You'll see in this beautifully decorated and functional kitchen such features as panels that open at a wave of the hand... six separate refrigerator units with capacity and variety of temperature to solve problems of food storage and preparation.

For the once-a-week shopper... not to mention a planning desk complete with the new automatic-answering "hands free" telephone that answers itself and records messages when you're not at home! Mounted on the desk too is a television tube that receives normal TV programs and also gets pictures from TV-eye cameras located at the front door, outdoor play area and the nursery — permitting the busy housewife to watch the children and answer the door without leaving the kitchen. Space limits me from raving about the dozens of electric and electronic devices — but like I said — you can see and enjoy all this for free... just write to GM.

A leading men's jewelry manufacturer has come out with an astounding line of new over-size cuff links for women. Tom Press, v.p. of Shields, said it all started when he noticed a number of his men customers complaining that their wives were always making off with their favorite set of links. So, said Tom, if that's what the ladies like and want, why not manufacture a line of over-size, ornate yet beautiful cuff links especially for them? Think you'll find yourself doing what I did — buying a long-sleeved blouse just so I could sport a pair of these lovely links. My choice was a handsome pink-tinted silver station head, designed in bold relief mounted on a polished ebony wood as large as a 25-cent nail.

Speaking of PUBLIC SAFETY

Modern street lighting is a civil improvement communities can measure eight ways, according to the National Street and Traffic Safety Lighting Bureau. Experience of newly re-lighted communities reported to the Bureau show that safe, modern street lighting invites people downtown at night, protects them against crime and traffic hazards on their visits.
